May the Lord bless you in every aspect of your daily lives, by and in His amazing Spirit and everlasting grace.

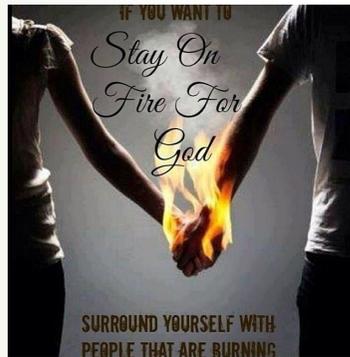

SUGGESTIONS FOR REKINDLING YOUR FIRE

- * Get into the word—take time to absorb the promises in your bible. Promises from our Father for you.
- * Pray - Talk to God about how you feel. Tell him the truth from your heart. Speak it out loud or write it in a journal.
- * Ask him to birth in you a desire to be on fire for God. Ask him to bring a longing in your heart for change.
- * Remember to ask him into your life every day
- * Look for signs from God every day. Accept that beautiful sunrise as a gift just for you and thank Him for it.
- * If you don't have time in the morning but you drive to work, get some good teaching CDs or download some podcasts, listen to worship music. Even or especially if you don't feel like it.
- * Be creative with your time; even a couple of minutes is worth it and does make a difference.

One Day Ashford Prayer Event

On Saturday 27th June, a group of us will be gathering at Ashford Baptist Church to prayer walk Ashford. The day starts at 9:30 am with tea and pastries when we will be allocated streets to pray for, back to ABC for lunch after which we will deliver cards to houses which speak of our Father's love in scripture. This is an exciting opportunity to pray for our community, spreading God's love to those streets and houses that need Him most. Speak to either Paula if you are interested. Let us know if you need

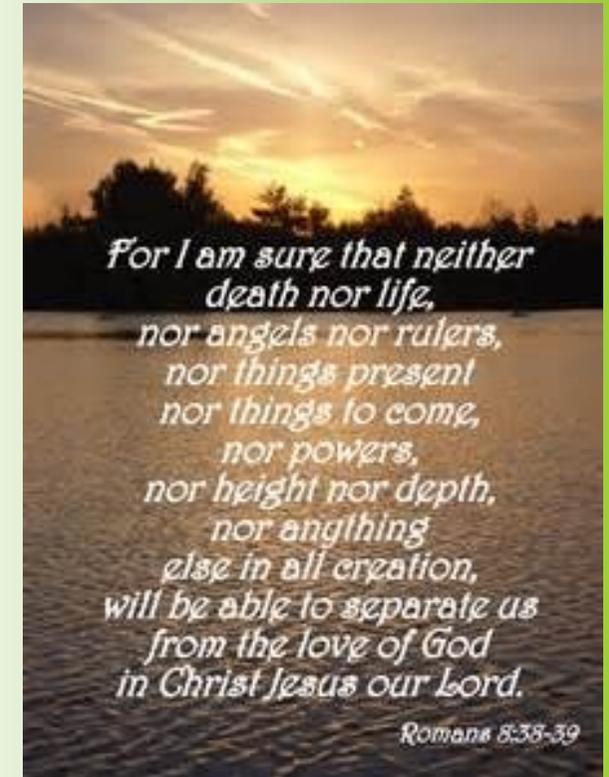

transport and I am sure we can assist. If you can only make an hour or two then you will still be most welcome.

Family in Need

IRAQ

The following post was on facebook 14th May and it struck me hard. This is the reality for people living in Iraq and other countries facing persecution:

The Iraqi refugees gave the money they had for food in order to save a young man from being hanged. Please continue to pray for this country as this is just an example of the type of events happening on a daily basis; torture and murder are daily events. Pray for God's protection, comfort and provision for all people persecuted by ISIS.

COME CLOSE TO OUR FATHER...

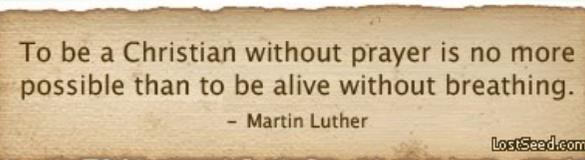

"If my people, who are called by My name, shall humble themselves, pray, seek, crave, and require of necessity My face and turn from their wicked ways, then will I hear from heaven, forgive their sin, and heal their land".

2 Chronicles 7:14

WEDNESDAY PRAYER EVENT

At the prayer meeting on Wednesday 17th June, we will spend some time meditating on John 15:5. Take time to pray into this verse this week and listen to what God has to tell you.

"I am the vine; you are the branches. If you remain in me and I in you, you will bear much fruit; apart from me you can do nothing."

Personal reflection

Is that statement true for you or is it wishful thinking? Do we truly receive God's

love in our lives? If we even had a glimpse of understanding, we would be overflowing with joy even in the midst of our circumstances. The cacophony of our praise and worship would raise the roof of our church building every Sunday morning. Is that your experience of church? Are we enthusiastically living our lives wholeheartedly devoted to God, in some way mirroring a tiny portion of His wholehearted dedication and devotion to us? Pray that our all loving, grace filled Father will open our eyes, hearts and comprehension so that we can begin to realise and express Him in our everyday lives. Claim the joy that is rightfully yours. Stand on His promises for you and watch Him take hold of your life in new and exciting ways. Rise up and be His people; Wake up and take hold of your inheritance in Him. Leave behind
